Please complete the following steps in the registration process.

#### Event Credentials

In order to gain access to any Clinton Global Initiative events, all participants need a credential. Please fill out the **CREDENTIAL FORM**. We will need a photo for your credential. You can either upload a photo as a jpg on your profile or email one to: [credential@clintonglobalinitiative.org](mailto:credential@clintonglobalinitiative.org)

If you are planning to bring a companion to either of the evening events your guest will also need to complete a **CREDENTIAL FORM**. If you have not specified on your registration form please let us know which evening events (Thursday and/or Friday) your guest will attend. Please e-mail this information to: [register@clintonglobalinitiative.org](mailto:register@clintonglobalinitiative.org)

#### Pre-Conference Questionnaire

In order for this meeting to successfully reach its goals, participants should both be prepared to debate solutions within the workshops, and commit to implementing change afterward. As former President Clinton has stated all participants will be asked to pledge to contribute in their own way to the solution in one of the four workshop topics. In an effort to begin developing your pledge, we ask you to send us any initial ideas you may be considering. Please use the **PRE-CONFERENCE QUESTIONNAIRE** to share these ideas.

#### Guidance on Possible Commitments

Your commitment to the Initiative's vision and to the issues discussed is invaluable. We would like to support you in the process of thinking about and creating commitments which could be announced during the conference. Participants' commitments will be announced throughout the workshops, the plenary meals, and the closing session, in order to provide the worthy acknowledgement. An international collection of media will be on hand to cover the proceedings and provide
