Dear Friends,

With this letter, we would like to inform you about those elements of the programme involving PES government and member party leaders and furthermore ask you to nominate the representative for the PES Presidium from your party.

Opening Ceremony May 7th 14.00 – 15.30 hrs.

You are kindly requested to be present in the plenary hall at 14.00 hrs, where you will be seated in the first row. One by one, you will be invited to enter on to the stage from where you will follow the opening ceremony. Young Congress delegates from all over Europe will address the leaders and the Congress in the form of short statements on a series of challenges and priorities. We expect and hope that all Member party leaders and Prime Ministers will make use of the opportunity to address and discuss with the congress delegates as a member of one of the five panels. Some leaders still have to inform us about the round table they would like to participate in.

PES Presidency Members

The Bureau has decided to propose to the Congress to establish a PES Presidency which will consist of amongst others, one representative per member party. This high level Group, around the proposed new PES president Robin Cook, will play a decisive role in determining the political agenda of our European Party. We would like to invite you to nominate as member party leader the Presidency member of your party. The PES Congress, after having chosen the new President will endorse the Presidency Membership as a whole. The division of tasks between the Presidency members will be decided upon in a first meeting after the Berlin Congress taking into account the PES working plan adopted.

Please send your nominations to the PES Secretariat by April 27th at the latest.

Two PES leaders meetings in Berlin

You are cordially invited to two PES Leaders meetings in Berlin:
