Subject: Progressive Governance - sherpa meeting

SUBJECT: PROGRESSIVE GOVERNANCE
SHERPA MEETING

Dear Colleague,

In Berlin Conference "Progressive Governance for the XXI Century", the heads of State and government decided to hold a sherpa meeting in July to take place in Lisbon.

According to their decisions, this sherpa meeting should prepare a proposal of a working programme to be developed by the network launched in Berlin. Our framework is defined by the Berlin communiqué and our focus should be put on some key issues for developing countries, in order to improve our common thought on progressive governance.

On behalf of my Prime Minister, I am inviting you to attend this meeting on Friday, 14 July 2000, in Lisbon from 9:30 to 16:30.

A detailed agenda, a list of topics to be addressed and all practical arrangements will be sent to you next week. In the meantime, I ask you to confirm your participation and to send me your complete references (function, address, phone, fax and e-mail).

I am looking forward to receiving you in Lisbon.

Yours sincerely,

Maria Jo o Rodrigues
