Dear Nikos,

I would like to thank you for the very interesting and extremely well organised workshop.  
The speech by prime-minister Simitis was an inspired start for our workshop.  
The experts gave interesting new insights contributing to the development of new ideas on migration and integration of minorities.  
The chairmanship of both prof. Diamandouros and prof. Papdimitriou also played a great part in the succes.

I am looking forward to the follow-up of this workshop and the next meeting.

Again: many thanks to all those who organised this workshop in such a beautiful surroundings and hoping to meet you again soon.

Best regards,

Kees Boef
