Subject: Workshop March 19th

Dear Nikos,

I have found three experts willing and able to participate in the workshop on 'how to promote tolerance and respect for cultural, ethnic and religious diversity' on March 19th in Athens.

They are:

- Paul Schnabel, director of the Dutch Social and Cultural Planning Office
- Ahmed Aboutaleb, director of FORUM
- Someone (name to be announced) from the Ministry of Justice, responsible for Immigration.

I will accompany this group, which consists of the best experts on these subjects in the Netherlands. I am very happy that they were willing to participate, as you can imagine. I will contact you soon about further details and give you the exact names and functions of the experts.

Yours sincerely, Kees Boef, political adviser to the Prime Minister
