Thank you very much for your message.

The programme is very interesting , with a very high-level list of participants.

I look forward to attending the workshop on Monday.

We should be arriving late on Sunday evening.

I might not be able to attend the dinner on Monday evening as I might have a meeting in Athens.

With all best wishes

Frederic Michel

Subject: Policy Network - Immigration workshop

Dear Nikos,

Fred Eric Michel wanted me to contact you regarding the workshop on immigration in March in Greece.

Policy Network would be very interested in disseminating material from the workshop. Specifically, we would be keen to place an edited version of the opening speech by Prime Minister Simitis in the European press. We recently placed an article by Gerhard Schröder in Les Echos in France and this week placed an article by Tony Blair in La Repubblica in Italy and in Les Echos in France. We would do the same, if not more, for the article by Simitis. If it was possible, we would like to place the article on the first day of the workshop.

We would also be interested in including the speech as an article in the June edition of the Policy Network journal which will include a interview with Tony Blair and an article by Bill Clinton.

Other papers, proceedings etc from the workshop could be disseminated on the Policy Network website.

I look forward to hearing from you.

With best wishes,

Dear Nikos,

Just a small question.

I was wondering if it would be ok for my fiancée to stay with me at the hotel during the seminar in Athens. We will arrive on the 18th March and will leave on the 20th March in the morning.

[Of course, she will not attend the seminar].

Please, confirm if this is fine with you.

I hope all is well and look forward to reading/seeing you soon

All best wishes

Frederic

Subject: Immigration conference

Dear Nikos,

The Directors of Policy Network, Frédéric Michel and Andrew Hood, have just returned from a visit to Berlin. Wolfgang Nowak told them about a conference on immigration that you are organising together with him in March. Wolfgang was keen that Andrew and Frédéric attend the conference. I would be grateful if you could let me know whether this would be possible and send me further details of the conference.

With best wishes,
