My dear friend,

I should like to use this opportunity to send you my best regards and the expression of my deepest sympathy.

I am totally convinced that the fruit of the wise policy undertaken by both yourself and by your entire party towards the greater good of the Hellenic people will be concretised through your victory in the elections which are to take place on April the 9<sup>th</sup>.

The **PASOK** has incessantly proved itself as a strong political force, deeply anchored in the reality of the social life in Greece, having as sole goal to serve the Greek people, to preserve the national identity of your country and to make it advance on the path towards progress and modernity.

At the same time it gives me great pleasure to underline once more the excellent relationships between the **PASOK** and the **Social Democracy Party of Romania** and the communion of ideals bonding our two parties together. I would also like to express my conviction that the relation between our parties will grow ever stronger in the future.

Therefore I wish you, Mr. President, a total success both in the eve of this very important electoral threshold and in your lifelong activity.

Yours truly,
