For the attention of Nikos Themelis,

Dear Nikos,

Thank you for your e-mail; we will stay in touch. The Pasok in government has been a good thing for Greece, for Europe and also for the PES. You did loose the elections while giving them a proper fight and with style and conviction.

I myself will step down as SG of the PES at the April Congress but will stay active within the Parliamentary Group.

We worked together very well and I have no doubt our paths will cross again soon.

Greetings,
Ton Beumer
