Dear Mr. Kosmo,

Thank you for your recent letter and your kind words from the beautiful Inverness-shire in Scotland. Your visit to Athens was indeed a very good opportunity to meet and discuss about the preparations of the Forum. I believe the time you spent was both enjoyable and productive, regarding also the Prime Minister's wish to deliver a written address .

It was a pleasure meeting you and I remain with the most cordial good wishes.

Yours Sincerely

Pr. George Papadimitriou
