

ΘΕΜΑ: Απάντηση προς το InterAction Council

Excellencies,

Thank you for your latest communication informing of the Council' s activities.

The National Committee of Human Rights will be examining the Universal Declaration of Human Responsibilities and it' s proposed debate at the U.N. General Assembly.

I would like to stress once more our committee on the establishment of the necessary balance between rights and obligations at a national and international level.

Yours Sincerely

Αθήνα, 3 Αυγούστου 1998
